Independent Consultant Achieves DiSC Certification

Summerdale, June 12, 2008 — Dilip Abayasekara, Ph.D., Accredited Speaker, and communication consultant based in Summerdale, PA is among the first of independent consultants to earn a Certified DiSC[®] Trainer designation from Inscape Publishing. Inscape's certification program is based on the *Everything DiSC[®] Facilitation System*. This just-released modular system helps trainers, coaches, and consultants address organizational needs using a broad range of DiSC tools. Abayasekara achieved Certified DiSC Trainer status by completing extensive coursework on the DiSC behavioral model, applying his knowledge in the market, and successfully completing a rigorous one-on-one practical examination.

"I commend Dilip Abayasekara's commitment to professional development," remarked Jeffrey Sugerman, president and CEO of Inscape Publishing. "In a confusing, competitive marketplace, Dr. Abayasekara has set himself apart by earning additional credentials that authenticate his in-depth understanding of DiSC and its applications."

"Dr. Dilip" is owner and president of Speaker Services Unlimited, a training company that enhances the performance of organizations and individuals by improving their communications, connections, and presentation skills. Dr. Dilip also serves as Special Assistant to the President at Central Pennsylvania College.

Inscape Publishing is an international publisher of research-based learning instruments that improve individual and organizational performance. The company is best known for its DiSC learning resources, a behavioral model and set of tools that have been used for nearly three decades by more than 40 million people worldwide. It is held by Sentinel Capital Partners, a private equity firm specializing in investments at the smaller end of the middle market.
